PUNCH and GOODIES

11:00

PROGRAM

11:30

LUNCHEON

**Ascension Lutheran Church
2780 Haslett Rd**

The program will start at 11:00 a.m. in the sanctuary as before, but punch and cookies will be served at 10:30 in the lobby area, so make sure you get up early so you can be with your friends while having some of these good foods.

This is always a good time for LMM members, to be able to greet and chat with other members of the group. We come from various parts of the city and this may be our opportunity to see and chat with our fellow Matinee Musicalers.

It's worth it to come for the goodies. But imagine getting punch, lunch, and a fine program all at once. What a great way to start the month.

Susan Baldyga is the luncheon chairman, so she has a lot of things to do. The reservations go to Carol Broughton, so she is also working hard. To come just for lunch would be worth it, but we get a good program as well. All the good things that we receive just for being a member of LMM. Lucky us.

"Friendship" is the theme of the program. Roger Humphrey, guitarist will open the program with a variety of songs like "Fandanguillo" by Torrobs, "Prelude" by J.S. Bach, and "Gymnopedie" by Satie. He teaches at Marshall Music, and has written method books for children and beginning adults. He has created guitar programs at MSU and other colleges across the state.

The Jackson Matinee Chorus, conducted by Karen Annable with Janet Gage, accompanist will sing "Pavane for Spring" and "Music, Lead the Way".

The choral ensemble will sing "When I Hear Music." and then they will join the Jackson Chorus singing several songs together concluding with "A Family of Song" written by Rick Uren and "Friendship" arranged by Sally Albrecht. The choruses are combining together in our theme of Friendship. What a great program. Don't miss it!

HONORS CONCERT

3 p.m. APRIL 28

OKEMOS PRESBYTERIAN CHURCH

You know all about this program. It's the final concert of the year for PAS. This is the one with all the scholarship winners. These students have worked hard during the year and have prepared these pieces for the scholarship auditions. Now is their opportunity to share their playing with you. What a great concert this will be....not one you should miss.

Some of our members of PAS also have auditioned for the MFMC scholarships. Eliza Guernsey, won 1st place in the MFMC auditions and will perform at the state convention in Ann Arbor in May. You should go too.

Another member, Grace Chiaravalli, won the Robert Madura string scholarship in Grand Rapids and Eliza, 2nd place. Congratulation to both of them.

OUR 125TH YEAR

This has been a great year for our 125th one. Good programs, good friends, good food. We hope you attended the 125th anniversary program. It was really spectacular. We would hope that the next 125 years will be just as good as the first 125 and we will have another program for the 250th anniversary. Maybe some of our relatives will go to the program.

NOTE FROM JOAN WIERZBA

Joan is looking for a person to help organize the LMM and Study Club programs. Joan is thinking of retiring and would like to work with someone for a year or two.

EDITOR'S CORNER

I can't believe we have come to the May meeting already. It seems like it was just last week that I was putting out the newsletter for October. A lot has happened in the intervening time, good programs, good food and drink, good friends together, what more could you ask?

Well.....more good friends and maybe some new people who will become friends who would enjoy LMM meetings and come and join us. We will talk more about that in the fall.

Meanwhile have a great summer, practicing, planting flowers, practicing, cutting grass, practicing, swimming, practicing, boating, practicing,...and all the rest.
