**GO BACK TO THE  
NEW HOME  
FOR  
LMM  
MEETINGS**

***ASCENSION LUTHERAN CHURCH***

**2780 HASLETT RD,  
EAST LANSING  
337-9703**

**November 1  
1:00 p.m.**

1. Where is it? There on the right, or left...
2. Where to park? In back
3. What's it going to look like? Pretty
4. Did anyone else find it? Sure did
5. Wow! Here it is! Yeah!!!!

In case you didn't get there for the last meeting, here is a shortened version of how to go.

**From the west,** If you know where Frandor is, you're halfway there. Go east on Saginaw until you come to Haslett Rd. Keep going east on Haslett Rd and the church will appear on your right within about a mile. Go in on the west side of the church.

**From the east,** go to Park Lake Rd, go north to Haslett Rd, turn left, go about a short mile and there it is, on your left. Drive in the west side, go around to the back and park. Now you're really there, and glad to have found it again.

**IT'S  
BRING YOUR NEIGHBOR DAY**

This meeting is special for us. Bring one neighbor, not two, or three...that's next time. It should be the one on either the right or left, not across the street. We will have neighbor stand up time and an extra cookie for all of us who bring neighbors to this meeting. What better way to show everyone how great an organization we have here.

**"SING AS IF YOU MEAN IT".**

The "**Young at Heart Singers**" was organized in 1985. They are a senior citizen group dedicated to serving other senior or community groups such as retirement homes, military bases and conferences with a message of faith and hope. They have sung in 39 states, Washington D.C., Grand Hotel on Mackinaw Island and numerous other places Julia Ellis is the conductor of this very ambitious group. Their music is spiritual in nature but the program is light hearted and fun.

Some of the songs are "God Has Gone Up with a Merry Shout" by Butler, "My Lord, What a Mornin'", by Howard Helvey, "Lord, If I Got my Ticket, Can I Ride?" by Sheldon Curry, "Shut De" by Stonehill/Fettke Thou. There will be a surprise at intermission, we don't know what it is, so come for sure and find out.

Don't forget to stay for the tea following the program. Irma Hough, chairman has some great help in getting all the goodies together.. Susan Baldyga, Linda Warren, and Jennie Weber. The room for the reception is very nice and has chairs and tables for us to use. Be sure you stay to enjoy the 3 f's...

friends, food and fun.

**STUDY CLUB  
November 15  
BURCHAM HILLS  
1:30 p.m.**

**Bringing in the Season**

Please note the different time for this month's meeting. This is necessary for this meeting only. It's worth going early to hear the **Sandbridge Great Lakes Ladies... Kim Huston and Friends.**

They will be playing holiday duets and other arrangements of hammered dulcimer music. The group is organized by Kim Huston. Do you know what a hammered dulcimer is? Another reason to join them at Burcham Hills for this fun holiday program.

**PAS MEETING  
SUNDAY, 3:00 p.m.**

**NOVEMBER 12  
OKEMOS PRESBYTERIAN CHURCH**

**“Musician, Know Thyself: Using Body  
Mapping to Enhance your Performance and Feel  
Good while Doing It.”**

**Presented by Dr. Judy Palac of MSU**

Dr. Palac will show us just what muscles and parts of your body work to play piano, strings woodwind or any other instrument you might have around the house. This is a good bit of information for all of us. As we get younger, some parts of the body need a little help in getting to where they're supposed to be and doing it with ease.

For the young members of PAS, a good thing to learn now, not after the arm won't go up. Bring a guest so he or she will benefit from Dr. Palac's knowledge. It will be well worth it. You will have a friend forever.

There will be performances by members of PAS. These are always good and worth while going to on a Sunday afternoon,.... much better than raking leaves or pulling weeds.

As usual Brenda Crouch and friends will have special refreshments following the program. A beautiful table prepared by Carol Broughton and the food by Brenda, plus good music, what better way to spend a Sunday afternoon.

## **PEOPLE AT WORK**

Do we have any idea the amount of work many of our members do so that we can enjoy meetings and friends...learning about “clouds” for computer information, (don't have any idea what that is) putting together the new year book, for both LMM and Performing Arts Students, and hours of proofreading by many. All of this so we can come to meetings and enjoy music and each other. We give them a **BIG HUG** and **THANK YOU**.

## **WOULD YOU LIKE THE NEWSLETTER BY E MAIL?**

Many of our members now receive this letter by e-mail. If you would like to have it by e-mail also, please let me know and it will be done.

## ***EDITOR'S CORNER***

Did you go to the new place? I did. I even found it, not all that hard. Just remember to go in the west drive, then go back behind the building. You walk in the door and WA LAH you're there.

You go through an area where we will have goodies following the concert and then into the sanctuary where the program will be.

It will be interesting to hear a group of singers this time. I imagine the acoustics will be good also. We met a few of the church people there, and they were all nice and helpful...like where's the bathroom, and where's the kitchen, and the way out. Fortunately....we found all of them.
